# GECO Parent Coffee

February 19<sup>th</sup> from 9:15 - 11 a.m.  
Hinsdale Public Library  
Large Meeting Room (downstairs)

As we come to the second half of the school year, how do you think things are working for your bright children?

What things do you wish you could change?

Do you have concerns about what the next year might have in store for you?

Join other GECO parents in discussing raising and educating bright children at the next GECO Parent Coffee. Learn from the parents who have older children, share your own insights with others or just enjoy the camaraderie.

Anyone with an interest in the education of gifted and talented children is invited to attend. Bring your favorite morning brew.
