## Meet New Administrators

**Dr. Janet Stutz**

District 181 Assistant Superintendent for Learning

And

**Dr. Bonnie Strykowski**

District 181 Chief Accountability Officer

(Responsibilities include Assessment and Analysis)

**Monday, September 29**

**9:15 to 10:45 am** or

**7 to 8:30 pm**

[TWO MEETING TIMES FOR YOUR CONVENIENCE]

Hinsdale Public Library, Lower Level

Each of these administrators will briefly introduce themselves and describe their role in District 181, then we will open the floor for questions and concerns. Dr. Stutz and Dr. Strykowski will play a significant role in the future of gifted & talented programming in District 181, in the assessment and placement in those programs, and in the evaluation of the effectiveness of those programs. Come hear what they have to say!

**Dr. Janet Stutz** was a junior high school principal for over seven years and an assistant principal for over five after starting her career as an elementary teacher. Her past experiences include leading the successful implementation of the community component of the character education program, serving on the district Facilities Advisory Committee and working as a leader in the district-wide strategic plan process. She holds a doctorate and master's degree in educational administration. She has written for the Illinois School Board Journal and serves on the faculty of Aurora University.

**Dr. Bonnie Strykowski** has 12 years experience as a district administrator in the field of accountability and assessment, which has included establishing departments, designing assessment programs, program evaluation, and strategic planning. She holds a doctorate in curriculum and instruction/educational psychology, and two master's degrees, one in education and one in business administration. She is an adjunct faculty member at National Louis University and is the current president of the National Association of Test Directors.
