

Gifted Education Cooperative

“What Should We Do?”

Help GECO brainstorm ideas that would be of interest to you for next year’s calendar!

Monday May 16, 2011

9:15 – 10:45 a.m.

Hinsdale Public Library

Speakers. Topics of interest. Field trips for kids. We can have as many functions as we have people who have energy and ideas. We have a great organization with good support and experience to make functions successful!

Bring a cup of your favorite morning brew and share your ideas!

If you have questions about this event or would like information about the Gifted Education Cooperative, please contact Lisa McCarthy or Carrie Gromer at GECO@arvamont.com
