GECO Membership Form

The **Gifted Education Cooperative** is a non-profit parent association. We use membership fees to pay for materials, to defray printing and mailing costs, to pay the costs of speakers, and to cover our membership dues as a parent affiliate of the Illinois Association for Gifted Children. For additional information on these events, see our website at www.geco181.info

For expediency our membership year is the calendar year.

I would like to become a member of or renew my membership in the **Gifted Education Cooperative** for 2012.
