

Gifted Education Cooperative

Announces the

GECO Literary Book Club

The GECO Literary Book Club meets monthly, usually on the third Wednesday of the month at 12:30 at a member's home or the Library. The group focuses on learning through works of non-fiction and historical fiction.

Would you like to attend a GECO Literary Book Club meeting?

Email gecoliterarybookclub@arvamont.com for the location of our next meeting. Then read the book (or at least skim it!) and join us for a lively discussion. Please feel free to bring a bagged lunch to enjoy while we discuss the book. Copies of the books are available at the Hinsdale Library circulation desk about 4 weeks prior to the meeting.
